Each tender should be accompanied with a challan for the amount noted against each of the works towards earnest money deposit, income-tax and sales-tax clearance certificates. No tenders without these will be considered.

The earnest money to be deposited along with the tender should be remitted to Revenue Deposits for Government works and District Board General funds in respect of District Board works. The tender documents can be had from the Manager of Executive Engineer's Office on application and payment noted against the work (not refundable), on all working days from 11 A.M. to 5 P.M. from 19th October 1956.

The tender will be opened by the Executive Engineer at his office at 3-15 P.M. on 26th October 1956.

The recovery of royalty and deduction of voids on all materials will be effected as per the provisions in the Mysore P.W.D. Account Code for Government works only.

The contract should not be sublet. For each item of work individual rates may be quoted both in words and figures. The rates quoted shall hold good till the completion of the work.

For all lumpsum provisions details of works as per accepted quotation rates will be calculated and paid for as per actual quantities. For items not included in the estimate either schedule of rates or rate based on actual data will be paid for.

The successful contractor shall bind himself to abide by the departmental rules in force and shall execute the necessary agreement within 7 days of receipt of intimation of acceptance of his tender failing which his earnest money deposit will be forfeited to Government in respect of Government works; for District Board works the earnest money deposited will be forfeited to District Board funds.

The final acceptance of the tender will rest with the competent authorities. The department does not bind itself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection, if any.

Quantities noted in the schedule are only approximate and are liable to alterations, omissions, deductions or any other additions at the discretion of the Executive Engineer or any higher authorities. The tendered rates will hold good for any quantity whether higher or lower than the schedule. The contractor will as far as practicable recruit the persons required by him through the nearest Employment Exchange in the region.

In case of any accident to the labour employed by the contractor during the course of execution, the accepted tenderor should pay the compensation to the injured as per the rules of Government in force, failing which the amount will be deducted out of his claims and paid to the injured.

In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements of work, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

All the other tender rules of previous years will also hold good.

OFFICE OF THE EXECUTIVE ENGINEER, No. 3, SANITARY DIVISION, DAVANGERE.

Tender Notification dated 16th October 1956.

Sealed tenders will be received in the office of the Executive Engineer, No. 3 Sanitary Division, Davangere, up to 4 P.M. and the due dates are noted for each of the following works on 12th November 1956.

Sl. No.	Name of work	Amount of Estimate for work portion	Amount of E.M.D.	Monthly progress	Probable date of completion
		Rs.	Rs.	Rs.	
(1)	Providing water supply to Tyavanige Village in Channagiri Taluk.	12,630	650	2,000	6 months
(2)	Providing water supply to Kariganur Village, Channagiri Taluk.	14,269	700	2,000	7 months

1. Tenders in the prescribed form in duplicate are obtainable from the Office of the Executive Engineer, No. 3 Sanitary Division, Davangere, on payment of annas eight per form. Form should be addressed to the Executive Engineer, No. 3 Sanitary Division, Davangere, in a sealed cover and superscribed as "Tender for....." and should also be superscribed on the top of the cover with the name of the contractor.

2. Each tender must be accompanied by a deposit of Rs.....deposited in Government Treasury under "Revenue Deposits" and duplicate challan should be enclosed with the tender. Mysore Government Bonds duly endorsed at full value or market value whichever is less will also be accepted as earnest money.

3. Tenders should be submitted in duplicate for each work separately and if there are any difference in rates quoted in between the original and duplicate, the lower of the two will be taken for consideration.

4. Rates should be quoted against each item of work both in figures and words and should hold good till the acceptance of the tenders by the competent authority. The rates quoted will not be enhanced under any circumstances.

5. Tenders not accompanied by the Treasury Challan for having credited the earnest money will be rejected.

6. No conditional clauses will be accepted.

7. Sales-tax and income-tax clearance certificates duly authenticated should be attached to the tenders, failing which such tenders will be rejected.

8. The rates quoted with conditions such as "subject to fluctuations, etc." will not be accepted.

9. The submission of tender by the Contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

10. The tenders will be opened in the presence of such tenderers who wish to be present at the time of so doing.

11. The name of the successful tenderer whose tender has been accepted will be notified on the office notice board of the Executive Engineer, No. 3 Sanitary Division, Davangere. No enquiries regarding the acceptance of the tender or otherwise will receive attention.

12. Tenderers should be of persons with experience of laying large size water mains and sub-mains.

13. The final acceptance of the tender will rest with the competent authority who reserves the right of acceptance or reject the lowest or any other tenders and also distribute the work if found necessary among several contractors at the lowest rates received with the tenders milewar in the case of pipe line work.

14. The rates quoted should hold good for conveying those pipes within a radius of 200 ft. No extra lead charges will be paid for conveyance of pipes within this range.

15. The work should be executed as per the specification in force in the Department.

16. All overwriting and corrections while submitting the tenders should be attested by the tenderer.

17. The contractor should arrange to keep the premises tidy immediately the work is completed in each section. No extra charges will be paid for this work.

18. The successful tenderer should bind himself to abide by the Departmental rules in force and should execute the necessary *mutchalika* within a fortnight from the date of receipt of the intimation of acceptance of his tender, failing which, his earnest money will be forfeited and his contract will be treated as cancelled. The earnest money of the contractor whose tender is accepted will be retained as security deposit and those of others will be returned after the acceptance of the tenders or only after the lapse of two months from the date of receipt of tenders as notified.

19. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, No. 3 Sanitary Division, Davangere, on all working days between 11 A.M. and 5 P.M. and between 8 A.M. and 12 NOON on Saturdays.

20. Such of the tenders that stipulate uncalled for conditions of rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reasons whatsoever and the Department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tenderer.

21. For non-estimated and non-tendered items of work executed if need be, it will be paid as per the current minimum schedule of rates or as per data worked out during execution and approved by the competent authority.

22. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

23. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorising him to do so.

24. The work should be completed and handed over in a tidy condition to the P.W.D. by the end of..... after acceptance of tender failing which, the Executive Engineer shall levy a penalty up to 2½ per cent on balance of works per month of delay, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over. The monthly progress shall not be less than Rs.....per month.

25. The contract should not be sublet.

26. All materials, tools and plant and machinery, that will be supplied by the Executive Engineer, in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools, plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the stores to the date of return thereto, such dates being the dates of acknowledgments of the vouchers in each transaction.

27. The contractor should arrange for the payment of royalty and tolls and other duties payable by him.

28. Materials such as cement, steel, lead, yarn, if available in the Division or Sub-Division Stores costing more than Rs. 50 will be issued to the approved tender contractor from the stores on payment of cash only at current issue rates at the time of issue of materials to contractor.

29. No claims for damages for delay caused by officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind while tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case. No extra claim or enhancement of rate will be allowed due to unavoidable delay for the supply of materials like cement, steel and lead, etc., by the department.

30. Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

31. The tenderers should arrange to afford all facilities free of cost, for testing the lead joints, section by section by the departmental officers, during the period of 3 months after the line is charged. If any defects are noticed, they will have to be rectified by the contractor at his own cost, after which the final claims will be settled.

32. The contractor should at his own cost provide all necessary scaffolding, centering, labour and appliances of hoisting such as pulley block, tripods, wrenches, gunny ropes, caulking and packing tools, etc., required for the work.

33. Proper arrangements for barricading, lighting, arranging for watchmen along the pipe line and specially in the main road and at the crossing for protection, convenience and safety of traffic, should be provided by the tenderer at his own cost, failing which the contractor will be responsible for any accident and any negligence at his part and cost of such arrangements made by the department in this behalf will be recovered from the bill of the contractor.

34. At the time of acceptance of the tender, the accepted tenderer will be intimated when the lead and yarn would be supplied departmentally or not. If it is the contractor's supply, the quantity of lead and yarn must be got approved by the department. The lead should be B. M. refined.

35. Afford facilities to any other parties employed on the work by the P.W.D. so that their work may also proceed during the progress of the work, and give such persons the use of ordinary scaffolding and ladders.

36. In case the contractor ceases to abide by the terms of contract at any time before completing the work he shall be bound to make good any loss to Government, which may arise from the cessation in addition to his surrendering his security deposit which will be forfeited to Government.

37. The rates to be tendered by the contractor should include sales-tax or any tax that may have to be paid to Government or any other local bodies.

38. The contractor is responsible for all accidents to workmen, etc., on the work and he must take all precautions against all such risks of accidents and if necessary, provide for the same by insurance at the proper time and pay compensation of the injured labourers. If such compensation is not paid by the contractor it will be recovered from this bill or outstandings and paid to the party as per rules.

OFFICE OF THE PRESIDENT, LICENCE ISSUING COMMITTEE, BANGALORE.

Notification dated 15th October 1956.

The public of Bellary District are hereby notified that with effect from 1st July 1957, the existing practice of permitting Non-Licensed Electrical Contractors and also Wiremen to execute the work of wiring up new electrical installations or effecting additions and alterations in existing installations in Bellary District will be discontinued, and the system of all such works being done by duly authorised Licensed Electrical Contractors as is prevailing in other parts of the present Mysore State will be introduced. Consumers of electricity in Bellary District are therefore requested to get all their electrical installation works carried out by Licensed Electrical Contractors from the said date onwards, as electrical installation works not executed by such Licensed Electrical Contractors will not be serviced by the Electrical Department thereafter.

To effectively bring the above system into force, the existing Non-Licensed Electrical Contractors and Wiremen of Bellary District are also hereby notified that if they want to take up electrical installation works in Bellary District from 1st July 1957 onwards, they must enrol themselves as Licensed Electrical Contractors well in advance in conformity with the rules prevailing in Mysore State. Copy of Rules and Conditions for the grant of Licences to Electrical Contractors certificates of competency to Electrical Supervisors, permits to Wiremen and application forms may be obtained from the Office of the Secretary, License Issuing Committee, Bangalore, on requisition if the necessary postal stamps are enclosed. Application forms for the issue of licences to Electrical Contractors should be sent in duplicate, one to the Secretary, Licence Issuing Committee, Bangalore and the other to the Secretary, Licensed Electrical Contractors' Association, Bangalore-2.

The last date for receiving application is 15th March 1957.

Also percentage basis above or below the estimate will not be considered. Tenders will not be accepted, if quoted beyond the sanctioned rates of the estimate.

6 The rates quoted in the tender form shall hold good till the completion of the work.

7 The work should be completed within four months from the date of agreement and the progress secured every month shall not be less than Rs. 12,000 in respect of this work.

8 The contractor shall hand over the work on or before the date mentioned in the agreement and if he fails to do so he shall be liable for the penalty fixed by the Project Executive Officer for his default.

9 The rates quoted shall be deemed to be inclusive of all taxes *i.e.*, sales-tax, income-tax and any other taxes payable to Village Panchayat, Municipality or Government.

10 The contractor whose tender is accepted will be informed in writing by the Project Executive Officer at the earliest opportunity and further to execute the required agreement within a week of the receipt of notice from the Project Executive Officer. Failure to execute the agreement entails forfeiture of the deposit.

11 No correspondence will be entered with regard to acceptance or rejection of the tender.

12 The selected contractor shall execute any extra work or any deviation from the sanctioned estimate ordered by the Sub-Engineer or Project Executive Officer and shall be paid the minimum rates sanctioned in the schedule of rates or in the event where schedule rates are not forthcoming, the rate worked out on the basis of the cost of material and the workmanship prevailing at the time of execution of the work.

13 The contract should not be sublet and joint contractors will not be accepted.

14. Rates need not be quoted for the items for which lumpsum provision has been made in the estimate and they will be paid as per current schedule of rates (minimum) or on actual cost or data.

15 The decision of the Project Executive Officer shall be final and binding on the contractor in all matters of disagreement in respect of this work.

The above block has been allotted for this farm. Successful tenderer will be issued permits obtained from the Forest Department.

The tenders will be opened by the undersigned at 5 P.M. on 2nd November 1956.

The required Tender forms can be obtained from the office of the undersigned on cash payment of Rs. 5-1-3 per set. Tender forms are not transferable.

Conditions of tender for the supply of hill-grass hay for the period from December 1956 to February 1957.

The tenders will be received by the undersigned in the prescribed form obtained from the undersigned on payment of Rs. 5-1-3 per set of 2 forms. Both the forms should be filled in, in legible writing and presented in a sealed cover addressed to the undersigned and superscribed "Tender for the Supply of hill-grass hay for 1956-57 so as to reach the undersigned not later than 4-30 P.M. on 20th October 1956 one of which will be returned to the tenderer with the seal of this office for his reference. This is with a view to avoid fraudulent use of the tender forms.

2. The rates tendered should be in whole rupees only and must be expressed both in figures and in words. The rates should be for delivery at the stockyard of the Combined Sheep and Cattle Farm, Kurikuppi. The rates should be exclusive of the seigniorage charges due to the Forest Department which will be borne by this Department. The hay to be supplied should be dry and of current crop containing only edible fodder grass, good smelling, free from damage by rain and devoid of dirt and other foreign matters subject to the approval and acceptance of the undersigned or any other officer authorised on his behalf.

3. The hay should be harvested only from the Block No. 9 of the Sandur Reserve Forest assigned to the Combined Sheep and Cattle Farm, Kurikuppi, subject to the Rules and Regulations imposed by the Forest and this Department. Necessary permits obtained from the Forest Department will be issued to the successful contractor by the undersigned and all the harvested grass should be supplied only to the Combined Sheep and Cattle Farm, Kurikuppi. The permits should be accounted for by the contractor in the prescribed form.

4. Each tenderer should remit into the Reserve Bank of India or Imperial Bank of India or Government Treasury an earnest money of Rs. 500 in favour of the undersigned and Bank or Treasury Receipt or challan enclosed with the Tender. No cash or cheque will be received. The tenders should also be accompanied by a Solvency Certificate obtained from the Revenue Authorities not lower than the rank of Tahsildar concerned. The tenderers who are exempted from the production of Income-tax clearance certificate should produce evidence in support of the fact that they come under the category who are eligible for exemption. If the certificates required cannot by any reason be produced in original the tenderers should furnish complete copies of the same duly certified by a Gazetted Officer along with the tender. The tender received without the earnest money deposit receipt or found defective in any respect will be rejected. The earnest money will be returned to unsuccessful tenderers in due course.

5. The tenderers or their duly authorised agents with a power-of-attorney obtained from the tenderers to act on their behalf should be present at the time of opening of tenders. The rate quoted by each tenderer will be announced and in the event of two or more tenderers quoting similar lower rates an immediate auction will be held to decide the successful tenderer, subject to the approval of the Director of Animal Husbandry in Mysore, Bangalore.

6. The successful tenderer or bidder will be required after allotment of the contract to furnish a cash security equal to 1/10 of the total value of quantities mentioned in the Schedule calculated at the rates accepted and also to sign an agreement in the prescribed form, a draft of which may be seen at the Office of the Manager, Combined Sheep and Cattle Farm, Kurikuppi. Tenderers should clearly understand that no variation of the terms and conditions contained therein will be made under any circumstances and that the tender is an admission that they have read and understood the terms and conditions therein contained and that the tender is expressly made subject to same. The amount should be deposited by the contractor in the Post Office Savings Bank as Security deposit and the Savings Bank Pass book pledged with the undersigned within 7 days of the receipt of the allotment of the contract.

7. If any tenderer or bidder refuses to take up the contract when called upon to do so within the period stipulated by the Manager, the earnest money deposit will be forfeited to the Government. It shall not be open for the tenderers to withdraw his tender at any stage.

8. The quantities given in the schedule are only approximate and not guaranteed and the quantities to be purchased may be more or less. The contract will be deemed to be limited to the quantities to be actually drawn by this office.

The contract must not be sublet without previous permission of the undersigned.

9. The undersigned reserves to himself the right of rejecting any or all of the tenders without assigning any reason thereof.

10. The contractor should abide by any rule or rules that are imposed on him from time to time during the period of contract for effecting proper supplies to the farm.

11. In the event of failure to fulfil all or any of the aforesaid conditions, any purchases of grass made from other sources to meet the requirement of the Farm shall be at the risk of the approved contractor and further is liable for any penalty to be imposed by the undersigned.

12. The Manager is at liberty at any time from the date of contract to terminate the agreement either wholly or in part in the interest of Government work as the Manager thinks fit and contractor shall not be entitled to any compensation in respect of such determination.
